## APPRENTICESHIP OPPORTUNITIES

---

### Trainee Administrative Assistants

We are pleased to announce that NMUK, in conjunction with NAC, are recruiting trainee administrative assistants to join our apprenticeship scheme.

Trainees will be employed by NAC for the duration of the two year apprenticeship which will start in September 2017. The apprenticeship combines theoretical and practical skills and is a combination of on-the-job training at Nissan and off-the-job training at a local college.

Candidates must have 4 GCSEs at Grade C or above (including Maths, English Language and two other subjects – preferably including IT) and be aged over 16 and below 22 on 1 September, 2017.

Full details of the Apprenticeship including a scheme overview, qualifications gained, entry qualifications, salary, benefits, etc. can be found by visiting our website (applicants can apply directly from the website):
